Heigh-o! berries

my joy,  
my pride,

My bright-eyed darlings,  
sweet

My beautiful gems for the  
Christmas-tide  
To wear, my true love to  
greet.

Heigh-o!  
my beautiful  
shining snow,

My pearls, my opals rare;

My jewels so bright in the  
sunlight's glow.

With tintings of rainbow  
fair

Heigh ho! my love,  
are you  
coming true?

Well, I'm waiting behind this tree,  
And a beautiful snow ball  
is waiting too!  
Is waiting my love for thee

"Hail!"  
to welcome

The Christmas-  
tide.

When life is young and gay,  
Freighted with joy the hours  
gliden  
Over their pleasant way
